

# Dennis and Linda's E-News

**THE TWO BECOME ONE**

## WONDERFUL TIME IN THE USA

The wedding was wonderful. Close to 300 friends braved extreme heat to show their love to the young couple. Kenny's family not only attended, but they also did much of the work that was involved in preparing and then cleaning up everything. We are thankful that Heidi is now part of such a great family. Two of Linda's cousins were there with their wives. Dennis'

sisters were there along with most of their children and grandchildren. One of his cousins brought his wife. Our children, including our son-in-law and our new daughter-in-law, Kathy, were there. Our granddaughter, Kirstie, decided it was more practical to dump her basket of rose petals all at once, but none of the glitches detracted in any way from a nearly perfect day.

## GREAT BELGIAN HOSPITALITY

As the years go by, friends and family become even more important. In Belgium we were blessed by being able to talk to our neighbor, Marie Jeanne, one last time before attending her funeral a few days later. Friends met us and returned us to the airport. They fed us well, loaned us a car, and a substantial amount of money was given to aid our work.

## BACK IN AFRICA

We arrived late on Tuesday, August 7, in a very cold Johannesburg. Fred and Fred Jr. were at the airport to meet us, and we were able to get our vehicle that Don Hulseby brought over for us. Linda slept for 14 hours but seems fine now. After taking care of some things here, we will return to Mozambique in a day or two.

## Prayer requests:

- After being away for more than two months, we hope we can transition to language study and teaching..
- We are thankful that Linda had no lasting consequences from the accident we had in South Africa. Fred's car has been replaced.
- Kenny is moving into "Heidi's" house. Heidi will be doing contract nursing and Kenny continues his job as a structural civil engineer. Future plans might include working in a land that would be closed to missionaries.

***Come, let us sing for joy to the LORD; let us shout aloud to the Rock of our salvation. Come, let us bow down in worship, let us kneel before the LORD our Maker; for he is our God and we are the people of his pasture, the flock under his care. Psalm 95:1,6,7***
