

Dennis and Linda's E-News

How Many Piano Keys Could You Make Out of These Tusks?

RECENT EVENTS

From last month's prayer requests we received positive answers. We now have a residence permit that allows travel in and out of Mozambique. Dennis' lungs have also greatly improved. We have booked and paid for tickets to Taiwan and plan to arrive there on Nov. 20th. At the present time we are in South Africa. We brought Jacob and Jaynie Michael

with us since they are going on furlough. On our way we spent two days and nights in Kruger Park where, among many other exciting things, we saw the huge bull elephant shown above.

We went to Deo Gloria where Linda and Jaynie shared in teaching the preteens, and Jacob and Dennis taught the teenagers. We enjoyed being able to speak Afrikaans.

More Answered Prayers and Concerns

Amy, the fellow missionary who was injured in a car accident, has returned to Moz. and seems to be recovering well. Little Caleb has been discharged and is now in the States. It is possible that there is some brain damage, but we are hopeful. We are very uncertain about our future in Mozambique. Learning Portuguese has

turned out to be much more difficult than anticipated. Also the fact that DeOliveiras have left changes what is expected of us, and we are finding it difficult to adjust.

We aren't sure exactly what we need to do. There are invitations to serve elsewhere in Southern Africa. Is the Lord telling us that it is time to just to "retire" so we can spend more time with the grandchildren?

Prayer requests:

- The birth of our second granddaughter to Allen and Cherry in Taiwan around the 1st. of December..
- Heidi and her new husband Kenny DeYoung in their new relationship.
- Brent is continuing work on a Master's degree in Missions and Islamic Studies. He has moved to Lincoln, IL and is looking for a new place of service.
- Our future work..
